	R
Method	13
New SKUs Only	
Overwrite ALL SKUs	

3. Choose the options that work best for you. If you have created or have modified any SKUs, make sure that you check those off to preserve your work.

- 4. Once you are set, select OK, and let the import finish.
- 5. Restart The Edge to make the SKUs available at POS.

Multi Store Note!

The Geller SKUs import will transfer to other stores in the next transfer cycle.

NOTE!

The Geller data is licensed from Jeweler Profit. You will not be able to import the full book unless you have purchased a license from Jeweler Profit. Please contact them directly at 888-255-9848 or visit them on the web at www.JewelerProfit.com.
